**The Lottery charity beneficiary for this is  
the Great Western Air Ambulance Charity.**

The object of the AALS is to support and assist air ambulance charities affiliated to it.  
One of the ways it does this is by promoting lotteries. The sole charitable beneficiary  
of this lottery is the Great Western Air Ambulance Charity No 1121300, which will  
receive all of the proceeds after deduction of the expenses of running the lottery,  
including the cost of the prizes. Your subscription is greatly appreciated as the  
charity needs to raise £1.3 million a year to keep the helicopter flying.  
They receive no government funding nor do they qualify for a National Lottery Grant.

They rely on the help of people like you to allow them to continue their life saving  
service.
